Municipal Councils, Madras
(3) The Director of Public Health,
Madras.

Sir,

Sub: Scales of pay - Major
Panchayat Board, Karkala
Scavenging Maistry,
Sweepers and scavengers
- approval requested.

With reference to the order
of the Inspector of Municipal Councils'
and Local Boards' in D. Dis. No. 9088/39

dated 28-8-1940, I beg to state that no scales of pay, strength and grades have been prescribed specifically for sweepers, scavengers, conservancy Maistry etc in the said order. This Panchayat-Board has employed for a long time 4 sweepers, Six scavengers and one conservancy Maistry on a pay of Rs(10-0-0) ten each, per month. The sweepers and scavengers belong to the class of Harijans in these parts. On account of the growing needs of the town, the number already employed is not enough to cope with the work, that is increasing, specially on account of the Public Health Act of 1939. I, therefore, beg to request that the present maximum pay of these employees of the Panchayat may be fixed at Rs(10-0-0) ten per mensem as a special case. As the work of scavenging and sweeping is increasing, it will not be fair and just to reduce their present pay. Any reduction

in pay is likely to give rise to dis-
content and impair efficiency of work.
Hence I request that you may approve
the present pay of these employees of
the Panchayat Board, Karkala.

I have the honour to be,
Sir,
Your most obedient Servant
H. Hussain
